Variance Request Information
911 Property Address:
Type of variance request (setback, height, parking, etc.):
Amount of variance:
Section of Branson Municipal Code requesting variance from:
Code Requirements Explain how the variance request meets all four code requirements found in section 94-70 of the Branson Municipal Code. The Board of Adjustment must rule that the request meets these criteria before approval. The applicant will have the opportunity to orally explain these answers and elaborate on them at the Board of Adjustment hearing.
1. That special conditions and circumstances exist which are peculiar to the land or structure involved and which are not applicable to other land or structures in the same district.
2. That literal interpretation of the provision of this chapter would deprive the applicant of rights commonly enjoyed by other properties in the same district under the terms of this chapter.
3. That the special conditions and circumstances do not result from the actions of the applicant.
4. That granting the variance requested will not confer on the applicant any special privilege that is denied by this chapter to other lands or structures in the same district.
